

# **Making our village more prosperous**

**What you have told us.....**

**Business in the village is vital to our economy but should develop naturally and not intrude too much.**

**There is a need for a baker and ironmonger.**

**A tea shop is needed.**

**There is support for a farmers market and craft fair in the village square.**

**Advertising signs should be moderated and in keeping.**

**Car parking charges should be abolished.**

**The village would benefit from a tourist information point in the village and a village tourist map.**

**The Village Guide needs updating.**

# **Making our village more prosperous**

## **Responses from the Youth Club:**

- **Business signage is helpful.**
- **It is felt the village is not big enough to sustain a farmers market.**
- **There is no desire to see a tourist information point in the village.**
- **Any tea shop for the village would be for older people.**
- **There is no desire to see more businesses in the village.**
- **There is no desire to see a new village guide.**
