

# **Police and Neighbourhood Watch**

**What you have told us.....**

**Provision of CCTV : Most felt it ineffective and an invasion of privacy.**

**Cold calling zones favoured.**

**Speeding vehicles should be a Police priority.**

**More priority should be given to Police visibility throughout the whole of the village.**

**Attention should be given to youths congregating during the evenings, especially in the recreation ground.**

**Should be quicker Police responses to complaints.**

# **Police and Neighbourhood Watch**

## **Responses from the Youth Club:**

- There should be CCTV coverage at the recreation ground.**
- The Police should visit the Youth Club to meet with the young people.**
- The Police should be more friendly and say hello.**
