HEAD LICE

Unfortunately it has been brought to our attention that the Head Lice are back!

Please ensure you check your child's head regularly , making it a part of your routine hair washing session.

"Wet combing" is an effective method and to help we sell the conditioner and combs at £1 each.

There are also leaflets giving advice in the reception.

If we spot live lice we will phone parents to collect their children from school to treat the condition. They can then be returned to school after treatment. This helps to stop the lice from spreading from child to child.

YEAR 6 PARENTS

Narnia: The Lion, The Witch and The Wardrobe - Yr 6 will be reading this novel as their class reader as part of their research into the Second World War. You may remember that the four main characters of the book Lucy, Edmund, Peter and Susan were evacuees and sent from the London Blitz to the country. I thought it would be nice to watch the movie too. Unfortunately, it was classified as PG for the following reasons: Contains mild threat, battle and fantasy violence. I asked the class for a show of hands to ascertain who had already watched the movie and approximately half of the class raised hands. I can't imagine there will be a problem watching the film but if you feel your child wouldn't be able to cope then please let me know. Mrs. Moran.

Grease: This isn't part of the curriculum at all but the children would like to learn the song 'Summer nights' - if we have time, it would be lovely for them to watch the whole film, but again, it was classified as PG for the following reasons: Some mild references to sex. If you feel that your child wouldn't be able to cope with the whole film then we could just watch the part that contains the song. Again, please let me know. Mrs. Moran.
